

**Student of the Month – February 2017  
North Area**

**Michael Andrew Benefield – Construction Carpentry  
Tippah Career & Technology Center**

**Instructor's Name: Art Flaherty  
Current GPA: 4.0  
Attendance: Perfect Attendance**

Andrew Benefield, a construction carpentry student at Tippah Career and Technology Center, is being honored by the Mississippi Construction Education Foundation as student of the month for the state's northern region.

As a standout in the classroom, Benefield owns a perfect grade point average and attendance record. His strong leadership skills make him a natural in helping his SkillsUSA team members achieve success.

Benefield plans to attend Northeast Community College and Mississippi State University in pursuit of a degree in civil engineering.
