

Career and Technical Education

Student of the Month

NOVEMBER 2017

**STUDENT OF THE MONTH
SOUTH AREA**

**Bradley Stringer – Welding
Marion County Carl Loftin Career and Technology Center**

INSTRUCTOR’S NAME: Robert Boone

**CURRENT GPA: 3.9
ATTENDANCE: Excellent**

Bradley Stringer, a second-year welding student at Marion County Carl Loftin Career and Technology Center, is being honored by the Mississippi Construction Education Foundation as student of the month for the state’s southern region.

A leader in the classroom and the shop, Stringer touts a near-perfect grade point average along with his center’s top welder and HVAC scores. His passion for invention and design make him a natural in helping his teammates achieve success.

Stringer plans to pursue a degree in mechanical engineering with an emphasis in metal fabrication.
