

Career and Technical Education

Student of the Month

DECEMBER 2017

STUDENT OF THE MONTH
NORTH-CENTRAL

Jose Lemus – Metal Fabrication
West Point Career and Technology Center

INSTRUCTOR'S NAME: Cody Hutson

CURRENT GRADE: 2.91
ATTENDANCE: Good

Jose Lemus, a student at West Point Career and Technology Center, is being honored by the Mississippi Construction Education Foundation as student of the month for the state's north central region.

Recognized by instructors for his impressive leadership skills, Lemus demonstrates a remarkable passion for knowledge through his hands-on learning style. He is currently preparing for the Skills USA individual welding competition with sights set on winning the 2018 state championship.

Lemus is a member of the 2017 state champion West Point High School football team and active in many community service endeavors.

After graduation, he plans to attend East Mississippi Community College and study welding.
