

Career and Technical Education Student of the Month DECEMBER 2017

**STUDENT OF THE MONTH
SOUTH-CENTRAL AREA**

**Tiler Loper – Welding
Jones County Career and Technical Education Center**

INSTRUCTOR’S NAME: Tom Wallace

**CURRENT GRADE: 3.5
ATTENDANCE: Very Good**

Tiler Loper, a welding student at Jones County Career and Technical Education Center, is being honored by the Mississippi Construction Education Foundation as student of the month for the state’s south-central region.

Praised for his versatility as a student, Loper touts a 3.5 grade point average and a near-perfect attendance record at West Jones High School. His honors include the CTE service award and honor roll, High Five Award, Level One National Center for Construction and Education Research Certification, and the Agriscience Academic Award.

Loper plans to study career and technical education at Jones County Junior College.
