

# Career and Technical Education

## Student of the Month

### DECEMBER 2017

**STUDENT OF THE MONTH  
SOUTH AREA**

**Meagan Whiddon – Welding  
Greene County Vo-Tech**

**INSTRUCTOR'S NAME: Dale Box**

**CURRENT GRADE: 4.0  
ATTENDANCE: Excellent**

Meagan Whiddon, a welding student at Greene County Vocational Technical Center, is being honored by the Mississippi Construction Education Foundation as student of the month for the state's southern region.

Touting a perfect grade point average, Whiddon stands out as one of the state's top career and technical education students. She is a member of the 2016 state champion FFA welding team, president of her local SkillsUSA chapter, a Mississippi Tech Master Scholar, and an inductee in the 2017-2018 Greene County High School Hall of Fame.

Whiddon is completing her second year in the Career Pathway Experience Program and plans to compete in the welding sculpture competitive event at the Mississippi SkillsUSA leadership conference in February.

After graduation, she will study electrical engineering at Mississippi State University.
