SOUTH-CENTRAL AREA**

**James Karlson – Construction Trades  
Gulfport Technology Center**

**INSTRUCTOR'S NAME: Dave Huffman**

**CURRENT GRADE: 3.72  
ATTENDANCE: Excellent**

James Karlson, a construction technology student at the Academics STEM Institute at Gulfport High School, is being honored by the Mississippi Construction Education Foundation as student of the month for the state's southern region.

Combining hard work with an inquisitive spirit, Karlson sets the bar high for himself and those around him. He is the SkillsUSA vice president, a student council representative, and a member of the Art Club and the National Technical Honor Society.

Currently undecided on his post-graduation plans, Karlson desires a career that allows him to meld his passion for art and creativity.
