

Career and Technical Education

Student of the Month

DECEMBER 2017

**STUDENT OF THE MONTH
SOUTH-CENTRAL AREA**

**Anthony Russell – Metal Fabrication
Simpson County Technical Center**

INSTRUCTOR'S NAME: Kirk Sullivan

**CURRENT GRADE: 3.0
ATTENDANCE: Good**

Anthony Russell, a metal fabrication student at Simpson County Technical Center, is being honored by the Mississippi Construction Education Foundation as student of the month for the state's south central region.

As a multi-semester principal's scholar, Russell's attention to quality and detail shows in his long list of achievements. Recipient of the outstanding metal fabrication student award, he also owns top honors for performance in the SkillsUSA regional competition and the Delta Technical College welding contest.

Beyond the classroom, Russell is equally successful, amassing an impressive array of honors and awards as captain for both the drumline and soccer team at Mendenhall High School.

Russell will attend Southwest Mississippi Community College followed by pursuit of a geological engineering degree from the University of Mississippi.
