

Student of the Month – December 2014 North Area

Jacob Brock, Carpentry Alcorn Career and Technology Center

Instructor's Name: Fred Jackson
Current GPA: 3.92
Attendance: Perfect Attendance

Jacob is a junior at Kossuth High School and is a second year student in the Construction Program. He has been chosen as an Alcorn Career and Technology Center Career Delegate for 2014-15 and will be representing the school at public events. Jacob has already assisted with the Governor's Job Fair at Crossroads Arena, where he helped to register adult job seekers. He will also lead upcoming career center tours for ninth graders. He is a SkillsUSA member and plans to compete in a carpentry team build event in the spring. He has also been a member of FFA for the past two years and FCA for the past three years. Additionally, he helps with Vacation Bible School activities at his church. Mr. Fred Jackson, construction instructor at ACTC, had the following comments to make concerning Jacob: "Jacob is an outstanding student. He listens and follows instructions well. He has a great work ethic, works independently and is a creative thinker and problem solver."

Jacob's future plans include the possibility of becoming a student intern in Construction, during his senior year, through the Career Pathway Experience class. After high school graduation, he plans to attend Northeast Community College, but is considering a couple of areas of study. He is interested in both construction and mechanics.
