

## Student of the Month – December 2015 South Area

### **Clarence Kennedy, III, Metal Fab II Hancock Co. Career and Technical Center**

Instructor's Name:	Reggie Ladner
Current GPA:	3.5
Attendance:	Excellent

Clarence is the student every instructor would want in their class. There is no project that he cannot do. He is always willing to help other students with their projects. Clarence is accurate, neat and very careful in completing his work. He is a very mature person for his age. Some of the awards that Clarence has received are: A & B Honor Roll, A-Honor Roll, COKE Student of the Month, Metal Fab 1 Achievement award, and member of SkillsUSA club.

After high school, Clarence plans to enroll in Mechanical Engineering/Electrical program.
