

Student of the Month – February 2016 Central Area

Micah Macoy, Construction Trades Simpson County Technical Center

Instructor's Name: Maurice Bryant
Current GPA: 4.0
Attendance: Good

Micah is a dual enrollment student, attending both Mendenhall High School and Copiah Lincoln Community College. He has excelled in academics having the highest overall average at Mendenhall HS in several courses. He has been on honor roll all four years. He has advanced achievements with the State Subject Area Testing Program. Micah placed second in SkillsUSA district competition in technical math. He has placed second in FBLA (Future Business Leaders of America) state competition and third place in FBLA district competition. He remains focused on excelling in his schoolwork and is always eager to learn new skills.

Micah is a member of SkillsUSA and FBLA. He is also involved in many of the school's club memberships including: FFA (Future Farmers of America); Beta Club; Family Community & Christian Leaders of America; Speech and Debate Club; Students Against Destructive Decisions and Bible Club.

Micah plans to complete the remainder of his program at Copiah Lincoln and then transfer to the University of California, at Berkeley, to pursue a degree in Chemical Engineering. He plans to use his construction experience and degree to design innovative building equipment and discover new fuel sources for industry.
