Caleb Self, Welding
Kosciusko-Attala Career and Tech Center

Instructor's Name: Trey Culpepper
Current GPA:
Attendance: Excellent

Caleb Self is an 11th grade student at Kosciusko High School. He is a second year student at the Kosciusko-Attala Career and Technical Center where he is in the Welding program. Caleb has an excellent attendance and very rarely misses a day of school. Caleb is one of the first to begin working and one of the last to stop at the end of class. Discipline is never an issue with Caleb. He always stays on task and is self-motivated when it comes to getting things done. Caleb plans to further his education in welding when he graduates from high school.
