

**Student of the Month – January 2017  
North Area**

**Dylane Pannell – Metal Fabrication  
Amory Career & Technology Center**

Instructor's Name: Robert Smith  
Current GPA: 3.32  
Attendance: Excellent

Dylane is a junior and second year Metal Fabrication student. He excels in the classroom as well as the shop and is always respectful. He received certification in the NCCER Core curriculum and scored an 85 on the MSCPSD test last year.

Dylane is a member of SkillsUSA and plans to compete in welding. He works part-time at Food Giant in Amory as well as doing side jobs of carpentry and landscaping. After graduation Dylane plans to enroll at Itawamba Community College and major in Industrial Maintenance.
