

**Student of the Month – January 2017  
South Area**

**Tyler Terwilliger – Welding II  
Hancock County Career Technical Center**

Instructor's Name: Chevis Necaise  
Current GPA: 3.75  
Attendance: Perfect

Tyler is the perfect student to have in welding class. He is a very disciplined young man and is never doing anything other than his assigned task. Tyler is always willing to help his fellow students. He is one of the highest achievers in Welding II by scoring one of the highest scores on MSCPAS2 test in his first year.

Tyler is continuing to work at completing all his certifications for NCCER Level One welding. He is a second year SkillsUSA member where he competed in Welding Fabrication in district level and Welding Sculpture at the state competition in 2016. Tyler is also very active in his church youth organization for doing community service. Tyler plans of continuing his welding training at a community college that will help prepare him even more for a career in welding.
