Attendance: Perfect attendance

Delsha Sledge is a very distinguished individual in D'Iberville High School's carpentry program. Along with other achievements, Delsha has mastered all of her performance tests. In the performance tests, she correctly demonstrated how to use the shop's tools, safety equipment and safety procedures.

Delsha has also shown her carpentry skills in aiding with other students in carpentry projects. She has built observation houses for wildlife camps such as Mountain Branch Camp. She has built games such as cornhole and tic-tac-toe boards voluntarily for church events around our community.

Not only has Delsha shown her abilities through performance tests, but also through written tests. She has passed every written test in carpentry. Delsha has the highest average in block of the carpentry program. She is a very studious individual in carpentry.
