

Student of the Month – November 2016  
North Central Area

**Rufus Bush, Metal Fabrication 1**  
**Indianola Career & Technical Center**

Instructor's Name: James Jimison  
Current GPA: 3.7  
Attendance: Perfect

Rufus Bush is a part of the Metal Fabrication 1 class at Indianola Career & Technical Center. He is truly an inspiration to his instructor and certainly a role model for his classmates. He has shown a wealth of prior knowledge and a great understanding of all subject matter taught thus far. Rufus has grasped an understanding of program safety, mathematical concepts and calculations, and blueprint symbols and interpretations. He has been an outstanding class leader by showing awesome initiative and class participation.

Rufus is a member of SkillsUSA, enrolled in the afterschool Robotics class and will be nominated to become a member of the National Technical Honor Society. After graduation, he plans to attend Harvard University and major in Theoretical Physics.
