

Student of the Month – November 2016
South Central Area

**Casey Yelverton, Advanced Welding
Jones County Career & Technical Center**

Instructor's Name: Ty Herrington
Current GPA: 3.4
Attendance: Excellent

Casey is a model student. He is the first student to arrive to the Career and Technical Center each morning every day. Casey is a very talented in the welding shop as well as in the books.

Casey is a member of SkillsUSA. He has received "Student of the Month" five times, as well as "Student of the Week" and academic awards in Physical Science and World History. He has been recognized as a "High Five" recipient and tied with another student for having the highest CPAS score last year in welding. He has received his Level 1 NCCER certification.

After high school graduation, Casey plans to attend Jones County Junior College and enroll in a CTE program.
