

Student of the Month – October 2015  
Central Area

**Logan Toney, Building Trades I & II  
Pearl/Rankin Career Technical Center**

Instructor's Name: Stephen Murphy  
Current GPA: 3.4  
Attendance: Perfect attendance

Logan is very well behaved in my class. He is very well-mannered and is also a hard worker. Although Logan is a first year student, he has already shown good leadership qualities by helping other students with difficult tasks.

Logan is a sophomore at Florence High School, where he is a football and baseball player. He is also involved in his youth group at Hickory Ridge Church in Florence. Logan is planning on attending a four-year university to study Wildlife Biology or Physical Therapy.
